INTEGRATED SCHEME FOR DEVELOPMENT OF SILK INDUSTRY

Central Silk Board

Towards Inclusive Growth of Sericulture Industry

We aim to achieve by 2020...

Production of 38,500 MT silk including 8,500 MT import-substitute bivoltine silk

Productivity to increase to 111 kg raw silk per hectare

Creation of 45,000 skilled manpower through training & skill development

Employment to 100 lakh persons in different segments of the industry

Women, SC/ST and other weaker sections of the society to gain livelihood opportunities

- Transfer of technologies with critical input support
- Collaborative sericulture research with national and international institutes
- Host plant and silkworm breed improvement
- Technology up-gradation and making mechanization affordable
- Increased private participation involving entrepreneurs and state agencies in silkworm seed production
- Empowering farmer producer groups for increased benefit sharing
- Encourage utilization of silk by-products for additional income generation
- Product diversification for better value realization
- Direct delivery of benefits to the stakeholders
- Access through Mobile App, SMS Service, social media like Facebook & Twitter and an exclusive Helpline for the stakeholders
