INTRODUCTION

National Silkworm Seed Organization functioning under Central Silk Board, Ministry of Textiles, Govt. of India, is producing high quality silkworm seeds at various Silkworm Seed Production Centers (also known as Grainages) located at different States of the Country and distributing the same to the farmers for producing high quality cocoons for development of Sericulture Industry. All the Grainages in the Southern Region have got ISO 9001: 2015 Certification. To produce and supply high quality silkworm seeds, these Silkworm Seed Production Centers are equipped with various machineries, equipments, Walk - in - Cold Rooms, Diesel Generators etc.

These Walk-in-ColdRooms are essentially provided in the Grainages for preservation of the silkworm seeds & moths. As live silkworm seeds & moths are to be preserved systematically as per scientifically designed preservation schedules, the room temperature and relative humidity should be maintained accurately as per the requirements throughout the year. The party awarded with the Annual Maintenance Contract of Cold Rooms shall maintain the Walk- in- Cold Rooms & Incubation Chambers with utmost accuracy and care without any break downs during the period of the Contract. Time is the essence of AMC.

These Walk-in-Cold Rooms of 25 years old are to be maintained systematically by reputed firms. Now, NSSO, Central Silk Board intends to award the Annual Maintenance Contract to one of the reputed firms experienced in the field.
